

HEALTH NAVIGATOR FELLOWSHIP

We are looking for immigrants and refugees who are interested in becoming a Health Navigator to work in healthcare settings

Our fellowship includes: Health Navigator Certificate of Achievement after completing 17 units of classes at Merritt College, and a 40-hour internship

What Do We Offer

1. Career coaching & planning
2. Professional Skills Workshop (resume, cover letter, and interview preparation)
3. Internship placement and possible apprenticeship
4. Financial aid application assistance

Requirements

1. California residents 1 year 1 day minimum
2. High school diploma/equivalent or GED
3. Intermediate English level (able to communicate in English for education and employment purposes)

Tentative Timeline

- Application: late October
- Interview: November
- Fellowship tentatively starts: Late January 2021
